

How to separate and dispose of garbage.

Please dispose of the garbage at the garbage station by 8 am.

Use the designated paid bag from Tamano city.

every week

Burnable garbage

Kitchen garbage

Remove the water.

Tubes

Only if the stain cannot be removed by rinsing.

Rubber and leather products

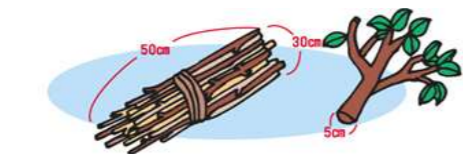

Remove the metal fittings and discard as Non-burnable garbage B

Futon / Carpet

Cut it within 50cm

When throwing away in a state longer than 50cm, throw it away as oversized garbage.

Cut branches / fallen leaves / weed

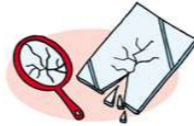

Fallen leaves and weeds can be thrown away in a transparent or translucent bag.

Non-burnable garbage A

every month

Mirror / Glass

Wrap the broken glass in paper such as newspaper and write on the wrapped paper.

Cup / Heat resistant glass products

Pottery

Dirty glass bottles and cans

Use up the contents.

Pet's toilet sand

Discard a pet's toilet sand made of paper into burnable garbage.

Non-burnable garbage B

every month

Small household appliances

Cut electric cords and hoses within 50cm. Remove batteries and memory cards.

Toy / Hanger

Metals such as pots

Metals and plastics with a thickness of 2mm or more that do not pose a risk of explosion or fire even when crushed.

Base Collection

Waste cooking oil (vegetable oil only)

Remove impurities, put it in a PET bottle, close the cap, and take it to the collection base facility.

If you cannot bring it to the collection base facility or if you want to throw away animal oil, harden it or soak it in paper and throw it away as burnable garbage.

Used cloth and clothing

Using a transparent or translucent bag.

Check the Tamano City Waste Separation Dictionary and the Tamano City website to see what can be put out as used cloth at the collection base facility.

If you cannot dispose of it as used cloth, or if you cannot bring it to the collection base facility, cut all lengths within 50cm and dispose of it as burnable garbage.

The base collection is at City Hall, the east cleaning center and each civic center. (Business hours/weekday: 8:30am~5:15pm, 4th Sunday is the east cleaning center only)

Discard using a transparent or translucent bag.
